Guide to West-Sano Town Neighborhood Association

To all the new members, I would like to express my sincere congratulations to all of you. Thank you very much for joining the West-Sano Town Neighborhood Association.

If you have any questions, please do not hesitate to contact the director or executive director of your district.

1. Notification of membership

Fill in the form designated by the neighborhood association with your name, furigana, address, and telephone number.

Please give it to the board members.

2. Payment of membership fees

Please pay a membership fee of 300 yen per month from the month following the month you join until March of the following year.

You can choose one of the payment methods: the full amount in a lump sum, every month, or for a certain period of time, but please consult with the director. Currently, due to the reduction of the time and effort involved in the collection of funds by directors, about 90% of members pay for one year.

3. Circular documents

It is registered in the order of circulation within the group, and the circulation board is usually circulated once a month.

When the circular circulates, be sure to read it. Also, if there is an application, please fill it out promptly and send it to the next residence.

4. Garbage collection stations and cleaning duties

Please check with the director about the garbage collection place near your residence and be sure to take out the garbage at the collection place.

Please note that the day of the week on which garbage can be taken out is determined by 4 types of separation.
